*Courses also meet College and Departmental Requirements and cannot be waived with an Associate's degree.

**Important Note: The foreign language requirement for the B.A. may be satisfied by 9 hours college credit in the same language, which must include 3 hours at the 2000-level, or equivalent proficiency (e.g., passing an advanced standing examination; TOEFL exam; presenting a high school transcript which demonstrates the high school was primarily conducted in a language other than English; etc.). Computer Science courses may not be used to satisfy this requirement. Currently Arabic and Mvskoke are not offered at the 2000-level at OSU.

If you prefer to take your foreign language requirements through OSU, please contact your OSU Academic Advisor.
