A minor requires completion of at least 18-24 designated credit hours of coursework outside the student's major field, including a minimum of 9 upper-division credit hours, and may have a required core. The same courses many are not used to fulfill the requirements for both a major and a minor. To complete a minor, a student is required to earn six 3000-4000 level credit hours in that minor at RSU (Rogers State Bulletin 2021-2022 p.87).

If you choose an approved minor (18-24 hours) you must select 9 hours of communication electives. However, if you do not choose a minor you will select 27 hours from the list of approved communications electives.
