**Note:** If you took MCOM 2573, MCOM 2123, MCOM 1613, and MCOM 1113 at TCC, please select a course from the list of approved communications electives or alternative options.

**Note:** TCC Communication courses will count towards RSU's Communication's program common core courses, Broadcasting and New Media option, or free electives.

A minor requires completion of at least 18-24 designated credit hours of coursework outside the student's major field, including a minimum of 9 upper-division credit hours, and may have a required core. The same courses many are not used to fulfill the requirements for both a major and a minor. To complete a minor, a student is required to earn six 3000-4000 level credit hours in that minor at RSU (Rogers State Bulletin 2021-2022 p.87).

If you choose an approved minor (18-24 hours) you must select 9 hours of communication electives. However, if you do not choose a minor you will select 27 hours from the list of approved communications electives.
