2: For upper division major electives, at least three different fields must be represented from Ancient, Modern Global/Comparative, U.S., and Europe/Mediterranean.

*NOTE: TU requires 14 credit hours of a foreign language for this degree. Students can choose to begin the foreign language sequence at TCC with open electives, but should be aware this option will increase the overall credit hours for completion. Discuss the best option for planning your foreign language courses with your academic advisor or send questions to the TU Center for Academic Advising (advising@utulsa.edu).

TU Tuition Costs:

- Full-time students pay a flat tuition rate each semester they are enrolled in 12 - 18 hours. Any semester where a student is enrolled in 11 hours or less is billed per semester hour. Any semesters with an approved overload above 18 hours has additional tuition costs on top of the flat tuition rate to cover the additional hours. Tuition costs and associated student fees are posted online at [Tuition & Costs - The University of Tulsa \(utulsa.edu\)](#). The degree map above has been divided to maximize enrollment versus tuition cost each semester. Students that choose to enroll in fewer than 12 hours or more than 18 hours in any particular semester should be prepared for different tuition costs.
