Online Option: This degree path can be completed fully online through TCC and NSU

Note to Students: Transfer maps provide a semester-by-semester guide to a university showing how TCC courses transfer to a specific bachelor's degree program. This transfer map is based on a full-time schedule and is just one example of how a student may successfully complete degree requirements for both programs. Students should work with a TCC advisor and the university to ensure they are on-time and on-track for transfer. Students are responsible for understanding the program/admission/transfer requirements for the university and for completing requirements in the official degree sheet for each major.

TCC Milestones and Recommended Actions:

- **Consider Summer Courses:** Summer courses at TCC can help accelerate your time to transfer, and help you stay on track. Talk to your advisor about planning summer courses.
- **During or After Year One at TCC:** Consider a campus tour of Northeastern State University and connect with a NSU academic advisor, to ensure you are on track to transfer. Your TCC academic advisor can assist in planning these actions.

Accelerated B.S. Health and Human Performance: Fitness Management to M.S. Health and Sport Science: Sport Administration/Management Degree

Refer to the current Graduate Catalog for master's degree requirements.

IMPORTANT:

- Students admitted to the Accelerated B.S. Health and Human Performance: Fitness Management to M.S. Health and Sport Science: Sport Administration/Management degree program will complete up to 9 hours of graduate level credit to apply toward both the undergraduate and graduate degrees.
- Students may not receive credit toward both the undergraduate and the paired graduate-level course. A student completing an undergraduate course and the paired graduate-level course will only receive credit for one course toward the bachelor's degree.
- A minimum grade of C is required for all 5000 level graduate courses.
- Students who do not follow the approved degree plan may become ineligible to continue in the accelerated degree program.
- Prior to completing the undergraduate degree, if the undergraduate GPA, graduate GPA and/or overall GPA fall below a 3.00, the student becomes ineligible to continue in the ADP.
- Students may withdraw from an approved accelerated degree pathway. Graduate credit hours completed prior to the student withdrawing or becoming ineligible to continue in the ADP apply toward the undergraduate degree only.
