Note to Students: Transfer maps provide a semester by semester guide to a university showing how TCC courses transfer to a specific bachelor's degree program. This transfer map is based on a full-time schedule and is just one example of how a student may successfully complete degree requirements for both programs. Students should work with a TCC advisor and the university to ensure they are on-time and on-track for transfer. Students are responsible for understanding the program/admission/transfer requirements for the university and for completing requirements in the official degree sheet for each major.

2: To apply this course to TU film major requirements, student must submit 2 – 3 samples to program director for review after matriculating into TU program. Approval is not guaranteed, and student may still have to take FLM 2013 after matriculating into TU in addition to the other courses listed above.

3: Recommended languages on TCC side are limited to French, Spanish and American Sign Language. Selection of a different language could increase the overall credit hours for completion, depending on how many free elective credits are still available after graduating from TCC. Discuss the best option for planning your foreign language courses with your academic advisor or send questions to the TU Center for Academic Advising.

maximum enrollment versus tuition cost each semester. Students that choose to enroll in fewer than 12 hours or more than 18 hours in any particular semester should be prepared for different tuition costs.
