Note to Students: Transfer maps provide a semester by semester guide to a university showing how TCC courses transfer to a specific bachelor's degree program. This transfer map is based on a full-time schedule and is just one example of how a student may successfully complete degree requirements for both programs. Students should work with a TCC advisor and the university to ensure they are on-time and on-track for transfer. Students are responsible for understanding the program/admission/transfer requirements for the university and for completing requirements in the official degree sheet for each major.

University Program Notes and Information:

- Tuition and Costs: Full-time students pay a flat tuition rate each semester they are enrolled in 12 - 18 hours. Any semester where a student is enrolled in 11 hours or less is billed per semester hour. Any semesters with an approved overload above 18 hours has additional tuition costs on top of the flat tuition rate to cover the additional hours. Tuition costs and associated student fees are posted online at [Tuition & Costs - The University of Tulsa \(utulsa.edu\)](http://Tuition & Costs - The University of Tulsa (utulsa.edu)). The degree map above has been divided to maximize enrollment versus tuition cost each semester. Students that choose to enroll in fewer than 12 hours or more than 18 hours in any particular semester should be prepared for different tuition costs.
- After matriculating into TU, a student must complete the major with a grade point average of 3.0 or higher as well as an overall grade point average of 2.0 or higher in order to graduate.

- Instrumental music education majors must meet the piano and guitar proficiency requirement.
- Student must enroll in the recital attendance course each semester and attend 15 recitals per semester after matriculating to TU.
