TU Tuition Costs:

- Full-time students pay a flat tuition rate each semester they are enrolled in 12 - 18 hours. Any semester where a student is enrolled in 11 hours or less is billed per semester hour. Any semesters with an approved overload above 18 hours has additional tuition costs on top of the flat tuition rate to cover the additional hours. Tuition costs and associated student fees are posted online at [Tuition & Costs - The University of Tulsa \(utulsa.edu\)](https://www.utulsa.edu/tuition). The degree map above has been divided to maximize enrollment versus tuition cost each semester. Students that choose to enroll in fewer than 12 hours or more than 18 hours in any particular semester should be prepared for different tuition costs.

TU Program Information:

- TU will waive ATRG 2021 Human Anatomy & Kinesiology Lab and increase ATRG electives by 1 hr. to go from 33 ATRG Electives to 34 ATRG Electives. The 2 hour ATRG Elective shown in Semester 8 can be fulfilled by completing two 1-hr ATRG electives within Semesters 5 – 8, or a 2-3 hour ATRG elective course.
