Art – Graphic Design (AA Art – BFA Art – Graphic Design option) (Tahlequah)

NSU Bachelor of Fine Arts – Graphic Design (option): The Northeastern State University Department of Art and Drama's Art program offers programs leading to BFA degree in Studio Art (2D or 3D) and Graphic Design. Students can take classes including: ceramics, drawing, painting, illustration, photography, printmaking, watercolor, typography, web design, sculpture, art history and more! Students can expect individual attention and a positive learning environment. Our award-winning faculty place an emphasis on developing strong foundation skills in early classes to prepare students for their future. Advanced classes encourage students to explore their unique vision to help them realize their full potential.

Major Guidelines / Regulations: For admission to the BFA program, students must have completed ENGL 1113, ENGL 1213 with a grade of “C” or better; completed MATH 1513 with a grade of “C” or better or score 23 or higher on the Math ACT; satisfied the university’s computer proficiency requirement; and achieved an overall GPA of 2.25 or higher. Students must achieve an overall GPA of 2.25 or higher. Students enrolled in classes offered by the COLA are expected to behave according to those Standards of Professional Behavior, found on the COLA website. Graduation with the BFA degree requires that all core and major classes must be completed with a “C” or better and that 21 (of 42) credits in the BFA core must be earned at NSU.

What it takes to complete a BFA in Graphic Design (options) from NSU. If you don’t complete your A.A. or A.S. at TCC, you will need to meet NSU’s specific general education requirements. You must complete at least 124 hours to earn a bachelor’s degree. Of those hours, 60 must be from a university (four-year school; 30-hours required from NSU), 40 must be junior and senior (3000/4000) level, and half of the hours (50%) in your major must be from NSU. You must also be both English and computer proficient. This means that you must pass ENGL 1113 Composition I and ENGL 1213 Composition II with a “C” or better and pass the designated computer proficiency class if needed. Therefore, when you transfer to NSU, you will likely need around 60 more hours to earn your bachelor’s degree.

Transferring to NSU is a seamless process. Although you can transfer to NSU at any time in your academic career, the smoothest transition occurs if you have earned or will earn an A.A. or A.S. from TCC. This milestone will also meet your general education requirements at NSU (unless it is a specific NSU requirement for you to graduate).

How do my TCC classes transfer to NSU? Every class that you take at TCC will transfer to NSU. Each class counts in one of the following categories that make up a bachelor’s degree: general education, major, minor, or free elective. Minors (18 hours) are a coherent set of courses in a discipline or interdisciplinary grouping other than a student’s degree program. **This program does NOT require a minor.** Free electives can be selected from any academic area. They allow you to explore academic interests outside of your major while counting toward the 124 hours you need to graduate. If you completed a class at TCC that does not meet one of the other specific requirements, it will count as a free elective. If you complete more than 64 hours at the associate degree level, all courses will transfer to NSU, but may be counted as electives. You must have 60 hours from a four-year institution to meet state requirements for graduation with a baccalaureate degree.

When can you start taking NSU classes? You can begin taking classes at NSU while you are completing your A.A. or A.S. at TCC. This is called dual enrollment and many students do this each semester. Consult an NSU academic advisor and a financial aid counselor to see how dual enrollment can work for you.
