

UNIVERSITY OF CENTRAL OKLAHOMA TRANSFER AGREEMENT

Tulsa Community College and University of Central Oklahoma Transfer Agreement

The University of Central Oklahoma (UCO), in collaboration with Tulsa Community College (TCC), participates in articulated transfer agreements to assist students in transferring smoothly from the associate degree to the baccalaureate degree. These agreements express a shared commitment to student access and success in higher education.

TCC Associate in Science – Pre-Nursing to UCO Bachelor of Science - Nursing

This document specifies courses to be taken at TCC and courses to be taken at UCO to meet this agreement.

Associate in Science (A.S.) – Pre-Nursing

Students should refer to the associate degree requirements and an academic advisor for associate degree details to ensure a successful transition to UCO.

Tulsa Community College General Education

An Associate in Science (A.S.) or Associate in Art (A.A.) degree from an accredited Oklahoma institution that includes the OSRHE minimum requirements will satisfy the UCO University Core. The associate degree included in this agreement meets the UCO University Core requirements.

UCO Major Requirements Taken At TCC

The courses listed in this section are required at TCC for this major and will also meet UCO major requirements. The TCC course is followed by the UCO equivalent or substituted course.

- MATH 2193 Elementary Statistics (UCO course STAT 2113)
- BIOL 1383 Nutrition (UCO course NTRN 1513)
- SOCI 1113 Introduction to Sociology (UCO course SOC 2103)

Additional Coursework for the A.A. or A.S.

See TCC catalog and academic advisor for additional associate degree requirements.

Credited courses completed as part of the A.A. or A.S. that do not meet a specific UCO degree requirement transfer to UCO as electives and may count toward the 124-hour minimum. Students should consult an academic advisor to determine how elective courses apply toward the bachelor's degree. Information for individual courses can be found on the UCO website under the UCO Transfer Equivalency Database.

Bachelor of Science (B.S.) – Nursing

Degrees from UCO have requirements applicable to all degrees and requirements specific to the program/major.

Degree Requirement Minimums for All Programs/Majors

Students must meet all bachelor's degree requirements at UCO to include minimums of:

- 40 hours of upper division coursework
- 30 hours in residence at UCO
- 15 of the last 30 hours must be taken in residence at UCO
- 60 hours from baccalaureate granting institutions
- 124 total hours

UCO Major Requirements

This section details the course requirements for this major at UCO. The UCO course is followed by the community college equivalent or substituted course. Some courses may be taken at the community college but may or may not apply to the associate major or degree. Consult with an academic advisor for that information.
