This transfer map is based on a full-time schedule and is just one example of how a student may successfully complete degree requirements for both programs. Students should work with a TCC advisor and the university to ensure they are on-time and on-track for transfer. Please find important information about SNU-Tulsa's Enhanced Advanced Standing and Prior Learning Assessment below

*ENHANCED ADVANCED STANDING & PRIOR LEARNING ASSESSMENT
at Southern Nazarene University

The balance of credit hours required to graduate with a bachelor's degree after TCC transcripted coursework and SNU transcripted major coursework is typically earned through SNU's Enhanced Advanced Standing and/or Prior Learning Assessment programs.

Eligible transferring learners may petition up to 9 credit hours of certifications, licenses, or other professional development prior to beginning SNU major coursework through SNU's Enhanced Advanced Standing program. Also, transferring learners may petition up to 30 credit hours of Prior Learning Assessment through additional professional development and/or Life Learning Papers. Petitioning Enhanced Advanced Standing and/or Prior Learning Assessment for potential university credit is not guaranteed.

Enhanced Advanced Standing petitions are for potential Elective credits only, while select Prior Learning Assessment petitions may be considered to fulfill either General Education and/or Elective needs.

Example: TCC transferring learner has 60 TCC college credit hours; the learner petitions for 9 SNU credit hours through Enhanced Advanced Standing and 15 SNU credit hours through Prior Learning Assessment; the learner completes 36 credit hours in the SNU major: 60 + 9 + 15 + 36 = 120 credit hours required for SNU bachelor's graduation.

Credits earned through SNU's Enhanced Advanced Standing and Prior Learning Assessment programs are __free of charge__ to current SNU learners.
Please refer to the __SNU Catalog__.

Congratulations! You have earned your Bachelor's Degree from SNU-Tulsa. Time to celebrate!
