

## SMART CHOICE

*College of Liberal Arts (COLA)*

### Art Education (AA Art – BA Ed Art Education) (Tahlequah)

**NSU BA Ed Art Education:** This program provides students with a broad educational base in the visual arts and qualifies them to teach art at the elementary and secondary level. Students in the Art Education program will receive specialized instruction in drawing, painting, design, printmaking, art history, sculpture and ceramics and learn skills in objective self-criticism and evaluation of art work. They will also have the opportunity to publicly display their art in a capstone exhibit.

**Major Guidelines / Regulations:** Majors completing NSU's educator preparation program meet state certification and licensure requirements as they progress through program. These include:

- **Foreign Language Competency:** All teacher candidates must demonstrate proficiency at the high novice level in a language other than English. Your advisor can recommend a class to satisfy this state requirement
- **PSYC 1113:** All candidates are required to take PSYC 1113 Introduction to Psychology.
- **Portfolio:** All students pursuing teacher certification are required to develop a portfolio which documents their accomplishments, learning, and strengths related to the competencies, standards, and outcomes established by the Oklahoma Office of Educational Quality and Accountability, Oklahoma State Regents for Higher Education, and the Oklahoma State Department of Education.
- **Certification Testing:** At intervals within the program, teacher candidates complete portions of the certification test. For admission to teacher education, students must pass the Oklahoma General Education Test (OGET). Teacher candidates must also pass an Oklahoma Subject Area Test (OSAT: Art) before their full internship. Successful completion of the Oklahoma Professional Teaching Examination (OPTE) is encouraged, but is not required for continued participation in our Teacher Education Program.
- **GPA / Course Grades:** Education majors must complete all art and education courses with a C or better. In addition, students must maintain a 2.75 overall GPA and a 2.75 in all art courses and in all education courses.

**What it takes to complete a BA Ed in Art Education from NSU.** If you don't complete your A.A. or A.S. at TCC, you will need to meet NSU's specific general education requirements. You must complete at least 124 hours to earn a bachelor's degree. Of those hours, 60 must be from a university (four-year school; 30-hours required from NSU), 40 must be junior and senior (3000/4000) level, and half of the hours (50%) in your major must be from NSU. You must also be both English and computer proficient. This means that you must pass ENGL 1113 Composition I and ENGL 1213 Composition II with a "C" or better and pass the designated computer proficiency class if needed. Therefore, when you transfer to NSU, you will likely need around 60 more hours to earn your bachelor's degree.

**Transferring to NSU is a seamless process.** Although you can transfer to NSU at any time in your academic career, the smoothest transition occurs if you have earned or will earn an A.A. or A.S. from TCC. This milestone will also meet your general education requirements at NSU (unless it is a specific NSU requirement for you to graduate).

**How do my TCC classes transfer to NSU?** Every class that you take at TCC will transfer to NSU. Each class counts in one of the following categories that make up a bachelor's degree: general education, major, minor, or free elective. Minors (18 hours) are a coherent set of courses in a discipline or interdisciplinary grouping other than a student's degree program. **Education majors do NOT require a minor.** Free electives can be selected from any academic area. They allow you to explore academic interests outside of your major while counting toward the 124 hours you need to graduate. If you completed a class at TCC that does not meet one of the other specific requirements, it will count as a free elective. If you complete more than 64 hours at the associate degree level, all courses will transfer to NSU, but may be counted as electives. You must have 60 hours from a four-year institution to meet state requirements for graduation with a baccalaureate degree.

**When can you start taking NSU classes?** You can begin taking classes at NSU while you are completing your A.A. or A.S. at TCC. This is called dual enrollment and many students do this each semester. Consult an NSU academic advisor and a financial aid counselor to see how dual enrollment can work for you.
