1: No more than nine hours in FLM may be earned in addition to the indicated major subject requirements. This number may be exceeded only by increasing the number of hours beyond the 120 required for graduation.

2: To apply this course to TU film major requirements, student must submit 2 – 3 samples to program director for review after matriculating into TU program. Approval is not guaranteed and student may still have to take FLM 2013 after matriculating into TU in addition to the other courses listed above.

NOTE: TU requires 14 credit hours of a foreign language for this degree. Students can choose to begin the foreign language sequence at TCC with open electives, but should be aware this option could increase the overall credit hours for completion, depending on how many free elective credits are still available after graduating from TCC. Discuss the best option for planning your foreign language courses with your academic advisor or send questions to the TU Center for Academic Advising (advising@utulsa.edu).

TU Tuition Costs:

- Full-time students pay a flat tuition rate each semester they are enrolled in 12 - 18 hours. Any semester where a student is enrolled in 11 hours or less is billed per semester hour. Any semesters with an approved overload above 18 hours has additional tuition costs on top of the flat tuition rate to cover the additional hours. Tuition costs and associated student fees are posted online at [Tuition & Costs - The University of Tulsa \(utulsa.edu\)](http://utulsa.edu). The degree map above has been divided to maximize enrollment versus tuition cost each semester. Students that choose to enroll in fewer than 12 hours or more than 18 hours in any particular semester should be prepared for different tuition costs.
