The grade of C in each course demonstrates proficiency at that level.</p> <p>* Students possessing proficiency equal to successful completion of Class Piano IV (MPER 2941) may take a Piano Placement Examination to determine their eligibility to enroll in an appropriate level of Applied Piano (MPER 1000, 2000, 3020, 4000) as an alternative to Class Piano. A minimum of four semester credits in piano is still required.</p> <p>Students in applied music progress according to stated repertoire commensurate with the level of study and as demonstrated in a juried performance. Access to upper division 3000 and 4000 level study and to the junior level recital is authorized by the division faculty upon completion of a juried performance at the preceding level with a grade of B or higher.</p>
