Note to Students: Transfer maps provide a semester by semester guide to a university showing how TCC courses transfer to a specific bachelor's degree program. This transfer map is based on a full-time schedule and is just one example of how a student may successfully complete degree requirements for both programs. Students should work with a TCC advisor and the university to ensure they are on-time and on-track for transfer. Students are responsible for understanding the program/admission/transfer requirements for the university and for completing requirements in the official degree sheet for each major.

Any semesters with an approved overload above 18 hours has additional tuition costs on top of the flat tuition rate to cover the additional hours. Tuition costs and associated student fees are posted online at Tuition & Costs - The University of Tulsa (utulsa.edu). The degree map above has been divided to maximum enrollment versus tuition cost each semester. Students that choose to enroll in fewer than 12 hours or more than 18 hours in any particular semester should be prepared for different tuition costs.
- Students must have a minimum GPA of 2.0 in the Area of Concentration (Major and Minor subjects) and a minimum of 2.0 TU GPA.
- No Pass/D/F or CLEP credit may be applied toward the Area of Concentration.
- Students must complete a Minor subject. Some minors require more than 12 hours.
- Courses applied to meet Core and General Curriculum requirements may not also apply in your Major or Minor subjects.
- Two thirds of the course work in the Major subject must be at the 3000 or 4000 level.
- In meeting the block requirements, a student may take no more than two courses from a single discipline.

- Two courses must be taken to meet the HCGD requirement. The HCGD requirement can be fulfilled with courses in the major, minor, general curriculum, or general electives.
