

TCC2LU

T R A N S F E R M A P

Associate in Science in Psychology at Tulsa Community College to Bachelor of Arts in Psychology at Langston University

60 Credit Hours at TCC + 60 Credit Hours at LU = 120 Total Credit Hours

Transfer Map Catalog Year: 2025-2026 (Year 1 of 3)

University Campus Location: Langston, Oklahoma; Oklahoma City, Oklahoma

Note to Students: Transfer maps provide a semester-by-semester guide to a university showing how TCC courses transfer to a specific bachelor's degree program. This transfer map is based on a full-time schedule and is just one example of how a student may successfully complete degree requirements for both programs. Students should work with a TCC advisor and the university to ensure they are on-time and on-track for transfer. Students are responsible for understanding the program/admission/transfer requirements for the university and for completing requirements in the official degree sheet for each major.

TULSA COMMUNITY COLLEGE – SEMESTER ONE

TCC Course	LU Course	Credit Hours

Guided Major, elective, or minor related course	3
Guided Major, elective, or minor related course	3
Semester Credit Hours at LU:	16

Congratulations, you have earned your Bachelor's Degree from Langston U.! Time to celebrate!

TCC Milestones and Recommended Actions:

- **Consider Summer Courses:** Summer courses at TCC can help accelerate your time to transfer, and help you stay on track. Talk to your advisor about planning summer courses.
- **During or After Year One at TCC:** Consider a campus tour of Langston University and connect with a Langston academic advisor, to ensure you are on track to transfer. Your TCC academic advisor can assist in planning these actions.
- **During Year Two at TCC:** During or right after semester three coursework, apply for admission at Langston University as a transfer student (www.langston.edu/apply-now).
- **Final Semester at TCC:** Congratulations, you are about to earn your Associate Degree! Be sure to apply for graduation @ <https://www.tulsacc.edu/student-resources/graduation>.
- **Transcripts:** After your final semester, submit an official TCC transcript to LU (www.tulsacc.edu/student-resources/student-records/requesting-and-submitting-transcripts).
- **Reverse Transfer:** Students who transfer to a university before completing an associate degree and who have earned at least 15 credit hours from TCC may be eligible to complete their TCC degree through Reverse Transfer. Email reversetransfer@tulsacc.edu to see if you qualify for a degree through the Reverse Transfer program (<https://www.tulsacc.edu/student-resources/graduation/reverse-transfer>).

University Program Notes and Information:

- It is recommended, although not required, that students take Behavioral Statistics at TCC.
- It is recommended, although not required, that students take Program elective courses at TCC that are different than the ones taught at Langston in order to develop a broad Psychology knowledge base and to minimize redundant courses.
- 2 lower division Psychology courses may be substituted for upper division courses upon transfer. Generally this includes Developmental Psychology and another course. Because Introduction to Psychological Statistics is a 2000 level course, Behavioral Statistics will transfer with no concerns.
