

# Tulsa Community College and University of Central Oklahoma Transfer Agreement

The University of Central Oklahoma (UCO), in collaboration with Tulsa Community College (TCC), participates in articulated transfer agreements to assist students in transferring smoothly from the associate degree to the baccalaureate degree. Transfer policies are available in the [Introduction for Program-to-Program Agreements](#). These agreements express a shared commitment to student access and success in higher education.

## TCC Associate in Science – Pre-Nursing to UCO Bachelor of Science - Nursing

This document specifies courses from TCC which will apply to this UCO major.

## Associate in Science (A.S.) – Pre-Nursing

Students should refer to [Tulsa Community College](#) for associate degree requirements and an academic advisor to ensure a successful transition to UCO.

## Tulsa Community College General Education

An Associate in Science (A.S.) or Associate in Science (A.A.) degree from an accredited Oklahoma institution that includes the OSRHE minimum requirements will satisfy the UCO University Core. The associate degree included in this agreement meets the UCO University Core requirements. It is highly recommended that students work with their academic advisors to make the best general education choices. Courses may meet both a general education requirement and a UCO support course or major requirement.

## **Additional Coursework for the A.A. or A.S.**

Credited courses completed as part of the A.A. or A.S. that do not meet a specific UCO degree requirement transfer to UCO as electives. Students should consult an academic advisor to determine how elective courses apply toward the bachelor's degree. Information for individual courses can be found on the UCO website under the [UCO Transfer Equivalency Database](#).

## **Bachelor of Science (B.S.)- Nursing**

Degree requirements for this major are found in the current [UCO Undergraduate Catalog](#). Degree requirements for previous catalog years are available in the UCO Undergraduate Archives. Confer with a UCO academic advisor for appropriate catalog year eligibility.

## **Degree Requirement Minimums for All Programs/Majors**

Students must meet all bachelor's degree requirements at UCO to include minimums of:

- 40 hours of upper division coursework
- 30 hours in residence at UCO
- 15 of the last 30 hours must be taken in residence at UCO
- 60 hours from baccalaureate granting institutions
- 124 hours

## **Transfer Policies**

This agreement does not include all possible variations for transfer with these programs/majors. The Academic Advisors along with the information in the official catalogs at both institutions are critical to the understanding of the specifics of degree completion.

## **Disclaimer**

The provisions of this transfer agreement do not constitute a contract, expressed or implied, between any applicant or student and the University of Central Oklahoma. The university reserves the right to make changes in degree requirements, degree offerings, schedules, course offerings, and other university standards to meet circumstances which may arise after publishing this information online.
