

Associate in Science in Pre-Nursing at Tulsa Community College to Bachelor of Science in Nursing, Traditional (OU Health Campus) Fran and Earl Ziegler College of Nursing

Total Credit Hours at TCC (60) + Total Credit Hours at OU College of Nursing (63) = 123 Credit Hours

Catalog Year: 2026-2027 (Year 1 of 3)

In-person Program: OU-Tulsa, 4502 E 41st St, Tulsa, OK 74135

Note to Students: This transfer map provides a semester-by-semester guide from TCC's A.S. in Pre-Nursing to OU's Health Campus B.S. in Nursing. Following and completing your A.S. in Pre-Nursing from TCC does not ensure acceptance to OU Nursing. All students must apply to any OU Health Campus undergraduate program. We encourage you to read more about the required application process (<https://nursing.ouhsc.edu/admissions-financial-aid/apply-now/application-process>) so you can plan your coursework and application accordingly.

This transfer map is based on a full-time academic load of 30 credit hours per year but can be adjusted to fit a part-time schedule. To ensure maximum transfer of credits, please work with your TCC advisor and your transfer university to ensure you are taking the correct courses to transfer on-time and on-track. Students are responsible for completing requirements in the official degree sheet for each major.

Congratulations, you have earned your Associate's Degree from TCC! *Time to celebrate!*

OU NURSING PREREQUISITE COURSE REQUIREMENT	
Semester Five (SUMMER)	
OU Course	Hrs.
*Upper-division General Education Requirement (OU-Tulsa online offering varies)	3
**CORE V First Year Experience NURS 3003 (See Note)	0-3
Semester Credit Hours at OU:	3-6

*These Specific TCC courses are not needed for admission to the OU College of Nursing Program but are needed for completion of the A.S. Pre-Nursing degree at TCC. Course substitutions used to satisfy General Education requirements must be listed as General Education on the University of Oklahoma Transfer Equivalencies Database (TED). Courses not on the TED must go through the course petition process at OU and be reviewed for course equivalency and General Education. Students must follow all General Education and graduation requirements of the University of Oklahoma.

^^OU accepts CHEM 1114 Principles of Chemistry from Tulsa Community College as a General Education Natural Science with Lab and accepts CHEM 1315 General Chemistry I as CHEM 1315 General Chemistry (General Education Natural Science with Lab). CHEM 1114 or CHEM 1315 from TCC with a grade of C or better would fulfill the Chemistry with Lab prerequisite requirement for the OU College of Nursing.

*This course can also be taken at OU (or another institution that offers 3000 and 4000 level courses) while a student is at TCC through a consortium/dual enrollment agreement. Please discuss options for meeting this requirement with your academic advisors.

**Core V is a General Education course required of all OU undergraduate students. This requirement is waived for students who complete an Associate in Arts or Associate in Science from a regionally accredited, public college in Oklahoma. If a student has not completed an Associate in Arts or Associate in Science degree, this course will be required and will increase the number of hours to complete the bachelor's degree.

***NOTE: Some specific prerequisite course requirements are waived **with the completion of an Associate in Arts or Associate in Science** from a regionally accredited, public college in Oklahoma. Please review all pre-requisite admission requirements at <https://nursing.ouhsc.edu/Programs-Academics/Traditional-BSN> and discuss with your academic advisor.

****NOTE: All prerequisite courses for the OU College of Nursing must be completed with a grade of "C" or better. You can review the current list of prerequisites at this link: <https://nursing.ouhsc.edu/programs-academics/bachelor-of-science-in-nursing-bsn>. All attempts are factored into the GPA as the OU Health Campus does not recognize academic forgiveness.

Congratulations you have earned your Bachelor's Degree from OU! Time to celebrate!

TCC Milestones and Recommended Actions:

- **Consider Summer Courses:** Summer courses at TCC can help accelerate your time to transfer, and help you stay on track. Talk to your advisor about planning summer courses.
- **During or After Year One at TCC:** Consider a campus tour of OU-Tulsa and connect with an OU-Tulsa academic advisor, to ensure you are on track to transfer. Your TCC academic advisor can assist in planning these actions.
- **During Year Two at TCC:** During or right after semester three coursework, apply for admission at OU-Tulsa as a transfer student <https://www.ou.edu/tulsa/apply>.
- **Final Semester at TCC:** Congratulations you are about to earn your Associate Degree! Be sure to apply for graduation @ <https://www.tulsacc.edu/student-resources/graduation>.
- **Transcripts:** After your final semester, submit an official TCC transcript to OU (www.tulsacc.edu/student-resources/student-records/requesting-and-submitting-transcripts).
- **Reverse Transfer:** Students who transfer to a university before completing an associate degree and who have earned at least 15 credit hours from TCC may be eligible to complete their TCC degree through Reverse Transfer. Email reversetransfer@tulsacc.edu to see if you qualify for a degree through the Reverse Transfer program (<https://www.tulsacc.edu/student-resources/graduation/reverse-transfer>).
